

What is Direct Deposit?

How Does Direct Deposit Work?

Direct Deposit Agreement

Your paycheck is automatically deposited into the account(s) you specify with every payroll. No more paper checks to track and no more rushing to the bank to deposit your paycheck on your lunch hour. It is safe, convenient and easy.

The first payday after completion of this form, you will receive an actual paper check and your requested Direct Deposit checks will be verified by the banking institutions. After approval, your next pay will be automatically deposited into your account, and you will receive a Direct Deposit Voucher which shows: Gross pay, Taxes, other pays and/or deductions and net pay. The net pay amount will be deposited into the bank account(s) specified by you below. These deposits will appear on your bank statement for your review.

3 Simple Steps Are Needed:

Step 1: Enter your name, social and complete left side of form

Step 2: Sign your name at the bottom

Step 3: Attach a voided check for each separate account listed. No deposit slips, please.
