

Does Your Summer Reading Program Have a Super Hero? Introducing...

The Magical Adventures of Super Reader

Abra-Kid-Abra's Brand New 2015 Summer Reading Program

The Music Maniac is on the loose again! He's tricky to capture, as he marches to his own beat. There's only one person who can capture him-- *Super Reader* --who gains his powers from the books he reads. Using magic, music, puppetry, comedy, and help from readers in the audience, *Super Reader* attempts to capture the elusive Music Maniac. Hang on to your seat in this fun, magical adventure!
